CADET OATH

On my honor, as a cadet, I pledge to support the Venice High School Marine Corps Junior Reserve Officers Training Corps with all my strength and ability. I will never do anything that reflects unfavorably upon my unit or myself. I will obey all orders and directions given by superiors. I will never lie, cheat, or steal. I will not tolerate such actions in others. A cadet's word is their bond. Above all else, I will respect my fellow cadets and do all I can to support them by word and deed, both in and out of class. If I should ever violate my oath as a cadet, I will report myself to my appropriate chain of command for disciplinary action. I make this promise voluntarily and will continue my support as long as I have the title of a Marine Corps Junior Reserve Officers Training Corps cadet.
